

Pursuant to *EC 48000(c)*, a child is eligible for TK if the child will have his or her fifth birthday **between September 2 and December 2.**

However, pursuant to AB 104, *EC 48000(c)(3)(B)(i)* a school district or charter school **may, at** any time during a school year (including at the beginning of the school year) admit a child to a TK program who will have his or her fifth birthday after December 2 but during that same school year, with the approval of the parent or guardian, if the governing board of the school district or the governing body of the charter school determines that the admittance is in the best interests of the child and the parent or guardian is given information regarding the advantages and disadvantages and any other explanatory information about the effect of this early admittance. Average Daily Attendance (ADA) can be claimed for these students once they attain the age of five (*EC 48000(c)(B)(ii)*).

**At this time our board does not admit a student** who does not meet the requirement of *EC48000*. Child is eligible if the child will have his or her birthday between Sept 2 and Dec. 2<sup>nd</sup>.
